

TAKE PART IN THE MOTOR TRADE INDUSTRY LARGE SAMPLE SURVEY (LSS), 2022

Help us to build a better understanding of the Motor trade industry in South Africa

These goods drive the South African Motor trade industry

Sales of goods in the Motor trade industry, 2018

IMPORTANT FACTS

- The total income for the motor trade industry in 2018 was R679,1 billion.
- Sales of vehicle parts (new and used) generated the highest profit margins.
- Large enterprises (those with annual turnover greater than R234 million) contributed 51,7% of the total income of the motor trade industry in 2018.
- The sector employed 267 319 individuals, with 3 in 10 workers involved in the retail sale of fuel.

The Motor trade industry large sample survey is undertaken every three to five years. This survey covers the wholesale and retail of motor vehicles, maintenance and repairs, sales of new and used parts and accessories, and retail sales of automotive fuel. To see more, download the report of the 2018 Motor trade large sample survey on the following link:
https://www.statssa.gov.za/?page_id=1854&PPN=Report-63-01-02.

If you have received a questionnaire for the 2022 survey, Stats SA encourages you to complete it as soon as you can, or contact us urgently for assistance.

By taking part you will assist the industry players and government to make better decisions about the industry.
