Dear Members

Survey: Impact of COVID-19 on the Digital Economy Businesses (Individual Companies)

The Department of Communications and Digital Technologies is conducting a survey on the Impact of COVID-19 on the Digital Economy businesses. Apart from assessing the impact of COVID-19 on the sector, responses to the survey will also guide the process of finalising a Digital Economy Masterplan for South Africa, ensuring that interventions or enablers prioritised are targeted and have the desired impact. Please can you accordingly forward this Questionnaire to your Members. Responses to this survey can then be forwarded to:
