MANUFACTURING, ENGINEERING
AND RELATED SERVICES SETA

Dear Stakeholder

The Manufacturing, Engineering and Related Services SETA (merSETA) values your participation and continuous support in making a contribution to the development of skills within our Country.

merSETA hereby invites you to a Skills Development road show to capacitate you on the next cycle of mandatory and discretionary grant funding windows on the **NSDMS (National Skills Development Management System)**.

The workshop will focus on:

- ❖ Mandatory Grant Window
- ❖ Discretionary Grants - PIVOTAL and non PIVOTAL window
- ❖ Changes to the Grant Policy
- ❖ National Skills Development Management System

The schedule below outlines the areas and dates of each of the road shows and training sessions across the country.

Venue details will be advertised on the merSETA website and will be forwarded to you once venues are secured. You are required to RSVP in order to secure space.
